[REDACTED] has received word from [REDACTED] (the University supplied Mr. [REDACTED] with [REDACTED] address at Irvington, Virginia). [REDACTED] stated that he had received Personnel's letter with the application forms. He had not completed them as yet, but when they were and at his earliest convenience he would come to Washington for an interview. [REDACTED] did not state when that would be. [REDACTED] said it was his impression that [REDACTED] was in no hurry to come up as he seemed to be doing pretty well with a private concern.
